

# Executive MBA for CA's

## Advanced Management & Entrepreneurship

### Overview of the Programme

'Advanced Management and Entrepreneurship' programme is curated on lines of an Executive MBA offering with a sharp focus on enhancing the professional edge of Chartered Accountants. Today's competitive world requires Chartered Accountants to have thorough management capabilities and entrepreneurial abilities to effectively service their clients or to climb up the corporate ladder. Advanced Management and Entrepreneurship is envisaged to aid Chartered Accountants across Practice, Employment and Entrepreneurship verticals with a specific focus to enable them excel in their professional lives and be better equipped to face contemporary challenges.

Specially designed to accommodate the preferences of working professionals, the programme is spread over 4-months with 120 hours of classroom contact hours over scheduled Saturdays at the world-class learning facility of ISME at Lower Parel, Mumbai. Hands-on learning from best-in-class Indian and International faculties on relevant and differentiated topics to provide a 360° edge to the participants. Successful participants to be granted Fellowship certificate by BCAS and ISME.
