Dear Member,

The nation is at the brink of a landmark indirect tax reform. The path is now clear towards the implementation of GST from 1st July 2017. To create awareness amongst people and to prepare trade and industry and business community to embrace GST, the Government has formulated a trade outreach initiative whereby certain institutions and their faculties are specifically trained by the Government officers and certified as Approved Training Partners (ATPs).

BCAS is proud to be one of the leading Approved Training Partners (ATPs) certified by NACEN (National Academy of Customs, Excise and Narcotics). We have 10 certified trainers on board to impart this training. This is a unique opportunity to learn and understand the basic concepts of GST directly from experts. The entire program is designed under the guidelines by NACEN and **successful participants will be provided with a certificate of participation.**
