

## DEBT OF GRATITUDE

*As the BCA Journal publishes its 50<sup>th</sup> Volume from April, 2018, we are profoundly grateful to our Editors.*

*A large part of the success of a professional journal run by volunteers is due to the single minded dedication of its editors. Only those who step into those shoes know what goes into making a journal on a month on month basis. In spite of being in full time practice, these wise, committed and generous men have served the BCAJ with passion, courage, creativity, care and intellectual integrity. We salute them all in our 50<sup>th</sup> year.*
