PART I

EXTERNAL COMMERCIAL BORROWINGS (ECB)

Indian companies are allowed to access funds from abroad in the following methods:

(i) External Commercial Borrowings (ECB) : ECBs refer to commercial loans in the form of bank loans, securitized instruments (e.g. floating rate notes and fixed rate bonds, non-convertible, optionally convertible or partially convertible preference shares), buyers' credit, suppliers' credit availed of from non-resident lenders with a minimum average maturity of 3 years.

(ii) Foreign Currency Convertible Bonds (FCCBs): FCCBs mean a bond issued by an Indian company expressed in foreign currency, and the principal and interest in respect of which are payable in foreign currency. The bonds are required to be issued in accordance with the scheme viz., "Issue of Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993", and subscribed by a non-resident in foreign currency and convertible into ordinary shares of the issuing company in any manner, either in whole, or in part, on the basis of any equity related warrants attached to debt instruments. The ECB policy is applicable to FCCBs. The issue of FCCBs is also required to adhere to the provisions of [Notification FEMA No. 120/RB-2004 dated July 7, 2004](#), as amended from time to time.

(iii) Preference shares: Preferences Shares (i.e. non-convertible, optionally convertible or partially convertible) for issue of which, funds have been received on or after May 1, 2007 would be considered as debt and should conform to the ECB policy. Accordingly, all the norms applicable for ECB, viz. eligible borrowers, recognized lenders, amount and maturity, end use stipulations, etc. shall apply. Since these instruments would be denominated in Rupees, the rupee interest rate will be based on the swap equivalent of LIBOR plus the spread as permissible for ECBs of corresponding maturity.

(iv) Foreign Currency Exchangeable Bonds (FCEBs): FCEBs means a bond expressed in foreign currency, the principal and interest in respect of which are payable in foreign currency, issued by an Issuing Company and subscribed to by a person who is a resident outside India, in foreign currency and exchangeable into equity share of another company, to be called the Offered Company, in any manner, either wholly, or partly or on the basis of any equity related warrants attached to debt instruments. The FCEBs must comply with the "Issue of Foreign Currency

Exchangeable Bonds (FCEB) Scheme, 2008”, notified by the Government of India, Ministry of Finance, Department of Economic Affairs vide Notification G.S.R.89(E) dated February 15, 2008. The guidelines, rules, etc. governing ECBs are also applicable to FCEBs.

ECB can be accessed under two routes, viz., (i) Automatic Route outlined in paragraph I (A) and (ii) Approval Route outlined in paragraph I (B).

ECB for investment in real sector-industrial sector, infrastructure sector and specified service sectors in India as indicated under para I (A) (i) (a) are under the Automatic Route, i.e. do not require Reserve Bank / Government of India approval. In case of doubt as regards eligibility to access the Automatic Route, applicants may take recourse to the Approval Route. It is clarified that eligibility for an ECB in respect of eligible borrowers, recognised lenders, end-uses, etc. have to be read in conjunction and not in isolation.

securities / furnish corporate or personal guarantee, (iii) the loan agreement has been signed by both the lender and the borrower and (iv) the borrower has obtained Loan Registration Number (LRN) from the Reserve Bank.

The primary responsibility to ensure that the ECB proceeds meant for Rupee expenditure in India are repatriated to India for credit to their Rupee accounts with AD Category- I banks in India is that of the borrower concerned and any contravention of the ECB guidelines will be viewed seriously and will invite penal action under the Foreign Exchange Management Act (FEMA), 1999. Further, such refinance is not permitted by raising fresh ECB from overseas branches / subsidiaries of Indian banks.

xiii) Debt Servicing

The designated AD bank has the general permission to make remittances of installment of principal, interest and other charges in conformity with the ECB guidelines issued by Government / Reserve Bank of India from time to time.

All entities against which investigations / adjudications / appeals by the law enforcing agencies are pending may avail of ECBs as per the current norms, if they are otherwise eligible, notwithstanding the pending investigations / adjudications / appeals, without prejudice to the outcome of such investigations / adjudications / appeals. Accordingly, in case of all applications where the borrowing entity has indicated about the pending investigations / adjudications / appeals, Authorised

Dealers while approving the proposal shall intimate the concerned agencies by endorsing the copy of the approval letter.

xv) Procedure

Borrowers may enter into loan agreement complying with the ECB guidelines with recognised lender for raising ECB under the Automatic Route without the prior approval of the Reserve Bank.
