### Filing of Income Tax Return for AY 2017-18

Dear Member,

The Central Board of Direct Taxes (CBDT) has notified new Income-tax Returns (ITR) forms for Assessment Year (AY) 2017-18. Further the total number of ITR forms are reduced to seven from the existing nine as a measure of rationalization.

It has become a ritual to make modifications to the details to be furnished in the ITR which professionals have to keep themselves abreast with. To enlist a few disclosures to be made, which are of relevance are;

1. Disclosure of Aadhaar number made mandatory
2. Disclosure of Cash Deposited from 09.11.2016 to 31.12.2016 exceeding INR 2lakh.
3. Declaration of value & description of assets & liabilities by Individuals/HUFs earning total income exceeding INR 50lakh
4. Disclosure/ adjustments as per ICDS

Similarly, it has become a ritual of knowledge sharing for the society through Lecture Meeting to deal in detail with the nuances of the new ITR forms.

The interactive lecture intends to demystify the filling process, throw light on the potential issues and highlight the information to be furnished where care should be taken while preparing and filing the tax returns for Assessment Year 2017-18.

The details are as follows:

<b>Topic</b>	Filing of Income Tax Return for AY 2017-18.
