GST Notices- Response by the taxable person

GST notices is a mode of one-to-one communication between the GST authorities and the taxpayers. The taxpayers should take cognizance of every communication from the GST Department and make sure that they respond to the queries / allegations raised therein. Taxpayers will have to suffer not only from the penalties but also undue litigation. However, many taxpayers are not well versed with how to appropriately reply to such notices.

The Suburban Study Circle of BCAS has planned the next session to discuss 'GST Notices - Response by the taxable person'. CA. Gaurav Save will share his views on the topic and lead the group discussion in physical meeting mode.
