Dear Members,

The Taxation Committee of the Bombay Chartered Accountants' Society is pleased to present the 3<sup>rd</sup> "Direct Taxes Home Refresher Course" jointly with Association of Chartered Accountants, Chennai; Chartered Accountants Association, Ahmedabad; Chartered Accountants Association of Jalandhar; The Chartered Accountants Study Circle, Chennai; Hyderabad Chartered Accountants Society; Karnataka State Chartered Accountants' Association and Lucknow Chartered Accountants' Society.

The pace and extent of changes in income tax law in recent years is mind boggling and cannot be ignored. The issues arising from them are affecting each and every tax practitioner in some or the other way and will continue to do so in future. One of the best ways to deal with them is to study them in detail and refresh our knowledge on certain key subjects and sections of the income tax law which we have learned over the years. WFH which was supposed to be temporary, has now become part of our permanent normal lives in some way or another. Virtual learning has been instrumental in spreading the knowledge without geographical constraints and is here to stay.

All professional bodies have always been at the forefront of disseminating knowledge through its various programs. Direct Tax Home Refresher Course (DTHRC) was one of the such initiatives started in 2020. Its popularity among the tax practitioners has encouraged us to plan the Direct Tax Home Refresher Course – 3. Like last year we have designed this program jointly with seven other sister organizations so that a much larger number of Chartered Accountants across India can take benefit of the course.

The "Direct Tax Home Refresher Course - 3" will be conducted in the form of webinars, The details are given below:
