## Expert Chat on “How To Develop Forensic Accounting & Investigation Practice”

Dear Members,

Forensic Accounting and Investigations is a fast-growing field of professional practice. Many opportunities are available for professionals to pursue systematic study of this subject (including an e-learning course offered by BCAS: [www.bcasonline.org](http://www.bcasonline.org)). However, there is limited guidance on how to set up such a niche practice or a separate vertical within an existing firm focusing on ‘Forensic Accounting and Investigations’

In this Expert Chat, our two distinguished panellists will provide practical guidance and insights on the different emerging opportunities in the field of Forensic Investigation as well as Digital Forensics based on years of experience in their specialized fields.

For whom:

This Expert Chat is for all wishing to understand, explore or pursue this area of specialization. Specifically, this may interest Chartered Accountants and other professionals from the fields of internal audit, risk management, vigilance, management audit, forensics, compliance and governance.
