Let us watch this movie, keeping aside all that we need to do. Just enjoy the movie and may this movie help us to bring required changes in our life to make our life worthy of living and live our lives using our full potential. We have many questions in our journey through life, some of which are:

What is our final goal behind this hectic life?

Will our hectic life will really make us happy?

Why is Art of Belief more critical than Art of Living?

Where is true happiness? Is it with some individual or material things? Or is it somewhere else?

What is meant by soul? Body or something else?

Get answers on above in “EK CHEEZE MILENGI WONDERFUL”.

Please login 15 minutes early to be able to view from start of event.
