Half Day Seminar on Selective Issue under FEMA

Dear Member,

Bombay Chartered Accountants' Society is pleased to announce a seminar on selective issues under FEMA. The programme details are given below.

Objective:

FEMA has been a fluid law. There are several amendments periodically. The authority has been delegated to Authorised Dealers. Due to language of the law, there are several interpretation issues and difficulties being faced by people. Violations may invite severe penal consequences. To understand the issues, a **focused seminar with only a panel discussion has been organised where senior ex-RBI executives will be responding to questions.** Participants will have an opportunity to understand the background to FEMA rules from ex-RBI executives.
