Half day Workshop on GST AUDIT

Dear Friends,

As you are aware, the Central Goods and Service Tax Act, contains provisions for carrying out of audit of books of accounts of certain categories of registered persons having turnover exceeding the prescribed limit (Rs.2 Crore). The law also requires that, such registered persons are required to submit a copy of the audited annual accounts and also the reconciliation statement under sub-section (2) of section 44 along with prescribed documents at the time of filing of Annual Return. The Annual Return Form – GSTR-9 was notified under Notification No.39/2018 – Central Tax on 4th September 2018. Immediately thereafter the form of Reconciliation Statement and Audit Certification were also notified under Notification No.49/2018 on 13th September 2018. Under the law, the due date for filing of these forms / certifications for audit of July 2017 to March 2018 is 31st December 2018. This being the first GST audit, the professionals as well as taxpayers need to appraise and enlighten themselves about the audit formats and issues involved. Although the government has taken care of explaining the contents of the forms by attaching list of detailed instructions to the said forms; at various places, lack of clarity may pose difficulties at the time of actual execution of the audit assignments. Considering this, Indirect Tax Committee of Bombay Chartered Accountants Society has organised a dedicated workshop on GST Audit.

The objective of this workshop is to enable the participants to gain knowledge about contents of various audit formats, areas of verification, reporting requirements in certain tricky cases and also to deal with practical issues arising in the course of execution of the audits. The workshop will also give to the participants insights of the areas that may require more focus and attention and which may involve more time and efforts. This, in turn will help them in executing the audit assignments in planned and efficient manner.
