International Tax & Finance Conference, 2018

The International Taxation Committee is pleased to announce its 22nd Residential International Tax & Finance Conference at “Narayani Heights” Ahmedabad.

Implementation of BEPS has triggered many developments in the field of international taxation. Income-tax Act, 1961 has been amended to expand the scope of Business Connection on the lines of the findings/recommendations of the BEPS Action Plans 1 and 7. Based on recommendations of the Action Plan 13, requirements for reporting under transfer pricing have also been expanded. Submission of Master File, Local File and Country by Country Reporting has been mandated for large MNEs. New Indian tax treaties are signed and existing treaties are revised based on BEPS recommendations. New law on Fugitive Economic Offenders is also proposed. This law together with Benami Properties, Black Money Act and PMLA will provide enough ammunition to revenue officials to detect tax evasion. This Conference will discuss these critical and many other aspects of the developments in International Taxation at an advanced level. The details of the Conference are as under:
