Lecture Meeting on “Transforming Mumbai – Challenges and Opportunities”

Dear Member,

Improvement of transportation conditions, infrastructure development, water storage systems, and drainage facilities is the need of the hour, especially for urban cities like Mumbai.

The city that never sleeps is really disturbed for months, the challenges faced due to ongoing infrastructure development is a topic discussed every day in each corner of the city. And flashing news on increasing potholes and water logging during monsoons is not new for Mumbaikars. Presently, the development of roads, metro lines, drainage facilities are matching the speed that Mumbai needs, but the question is, are we really ready? Or is it that, Mumbaikars have to settle for less to see the future Mumbai of their dreams.

With ongoing projects like the Coastal roadway and the Urban Transport, the role of MCGM has also widened. Therefore, it becomes essential to have a futuristic outlook on the developments made and planned, hence BCAS has organised a lecture meeting to be addressed by the Hon. Municipal Commissioner of Mumbai to broadly understand the scope of opportunities and the challenges faced in transforming Mumbai and making it future ready.

The details of the lecture meeting are as follows:

Topic	“Transforming Mumbai – Challenges and Opportunities”
Day, Date & Time	Tuesday, 26th June 2018, 6:15 p.m. onwards (Fellowship over a cup of tea at 5:30 p.m.)
Speaker	Shri. Ajoy Mehta, Hon. Municipal Commissioner of Mumbai
Venue	Walchand Hirachand Hall, Indian Merchants' Chamber, Churchgate. Mumbai 400020

This lecture is free for all and open to anyone interested on the subject. Seats will be available on a first come first served basis.

We trust that you will attend this lecture meeting and benefit from the expert deliberations on the subject by the Learned Speaker.

**Best regards,
CA Manish Sampat / CA Abhay Mehta
Hon. Jt. Secretaries**
