## Long Duration Course on Goods and Services Tax

The biggest tax reform of the century in the form of Goods and Services Tax ('GST') completed its' first anniversary recently. Hailed as a path breaking reform, the concept of GST was accepted by one and all. BCAS, as a NACIN accredited training partner has been in the forefront in creating awareness about GST and supported the Government in ushering this reform by organising various lecture meetings, seminars and workshops related to GST. More than 4000 professionals and businessmen have attended the various seminars and workshops organised by BCAS and gained knowledge and skills to help them with the switchover from the existing law to GST.

BCAS is now organising a long duration course on GST. The course is spread over 36 sessions and spans over 6 days / 45 hours of training. The course will be conducted in a classroom type environment by 36 GST domain experts, and they will cover theoretical as well as practical aspects of GST. Besides the training, participants will also get a chance to interact with GST domain experts and learn from their experience. This training will be useful for the professionals intending to build a practice in GST and augment their GST domain knowledge. Participants are expected to have basic working knowledge about GST before enrolling for this course.

The course aims to provide the participants with a 360-degree view of the GST legislation and the coverage will include the fundamental concepts, the statutory provisions, procedural aspects and their practical application. Participants completing the course (with minimum 75% attendance) will be awarded a participation certificate. Key takeaways for the participants will be:

1. *Comprehensive study material*
2. *Detailed Coverage and Scope of GST law divided into 36 Specific Topics.*
3. *Opportunity to interact with 36 GST Experts and enrich from their experience*
4. *Ability to understand the dynamics of GST law*
5. *Ability to understand the correct applicability of the law, valuation, classification and the associated input tax credit*
6. *Ability to correlate theoretical knowledge with practical case studies*
7. *Ability to guide clients on the documentation and procedural aspects*
8. *Ability to assist clients in meeting their obligations under GST*
9. *Ability to conduct effective and qualitative GST audit*
10. *Ability to effectively represent your client before GST authorities*
