SEMINAR ON DEVELOPMENTS IN AUDIT REPORTING, ETC. FOR AUDITS FOR 2016-17

(For Public and Private Limited Companies other than to whom IndAS applies)

With a lot of focus given to IndAS implementation in the last few months, the focus has now shifted to preparation of financial statements for non IndAS companies. With the GST transition date also behind us, the process of finalization of audits for the Financial Year 2016-17 for the smaller companies is on-going.

Accounting Standards (non IndAS) have been revised and made applicable for FY 2016-17, there is additional reporting requirement of Specified Bank Notes on account of demonetization as well as there are reporting compliances relating to ICFR, Fraud Reporting and CARO Reporting. Further auditors also need to keep in mind the FRRB observations to improve the quality of reporting.

To keep the members as well as other stakeholders aware and abreast of the compliances and reporting requirements for finalising audits for the F.Y.2016-17, BCAS has planned this one day seminar. It will provide insights into the intricacies to be dealt with in reporting as per the new and revised requirements.
