Dear Nature Lovers,

Warm Greetings!!!

We are delighted and proud to share that over the past decade, Human Resources Development Committee of the BCAS, under the aegis of BCAS Foundation has been instrumental in contributing towards socio economic development of underprivileged tribals of Dharampur. Thanks to the support from our esteemed Donors, NGOs and volunteers, we regularly organise projects for the noble cause of Tree plantation and Eye Camp to support the cataract surgery of the Dharampur tribals.

We are once again here with our Annual Tree Plantation Drive & Eye camp project, the details of which are as follows:

1. Tree Plantation Drive 2022:

When we plant trees, we plant better future for the next generation...

We shall undertake this project with the support of Sarvodaya Parivar Trust (SPT). SPT is a NGO engaged in community welfare services to the tribals living in and around Pindval, Khadaki in the Dharampur District.

We are planning to undertake Tree Plantation with dual purpose i.e. 'Afforestation' as well as 'captive plantations' on the farmers' field which would generate income for them in future. Here are the TWIN opportunities to contribute your bit to conserve Nature and also to the rural economic development.

The Contribution per Tree is Rs.30/- Our aim is to support plantation of minimum 11,000 Trees.

2. Eye Camp 2022:

"Tamasoma Jyotir Gamaya - Lead us from darkness to Light"

Our second project is for supporting an Eye Camp, for carrying out cataract surgery of the tribals from the surrounding rural areas of Vansda, at Saint Ranchhoddas Bapu Eye Hospital, Vansda.

The said Trust is engaged in socio-economic development of rural areas since 2001. They have successfully performed more than 75,000 Operations till now.
