### **XIth Residential Study Course on Ind AS – 24<sup>th</sup> to 26<sup>th</sup> June 2022 at The Deltin, Daman**

Dear Members,

BCAS has been at the forefront in equipping its members in particular and other stakeholders at large with the knowledge of Ind AS.

The adoption of Ind AS in India for listed and other large entities, since 2015, has catapulted Indian corporate sector to the centre stage of high quality and transparent financial reporting. The experience of implementing Ind AS by listed and other large companies in India has been quite challenging.

With the main objective of dwelling deep into the Ind AS subject and to provide platform to the Members in Industry and Practice to come together and get the opportunity to get deep insights into the practical challenges which crops up while implementing the complicated standards, BCAS had started the subject specific Residential Study Course (RSC) for achieving the stated objective. The event became very popular instantly and now has become one of the most sought after flagship event and Members always eagerly await the program dates. This residential course is now into its 11<sup>th</sup> year and Accounting and Auditing Committee is pleased to announce the details of the RSC for this year.

The XIth BCAS Ind AS Residential Study Course has been planned to address the practical challenges and also share experiences of experts in such implementation. Professionals involved in audit of Ind AS financial statements as well as companies who prepare Ind AS financial statements or in the process of implementation of Ind AS would find the RSC very useful to gain this knowledge and address their issues. The RSC follows a unique format of extensive group discussions on Case Studies based papers, presentation papers on subjects of topical interest and a panel discussion with experts. The RSC would be for 2 nights 3 days in Physical mode (and not in hybrid mode). The residential course offers an excellent opportunity to interact with all the speakers and participants through informal chats and networking sessions.

**The XIth RSC is scheduled from 24th June to 26th June 2022 (Friday to Sunday).**
