**Features:**

**The International Taxation Committee is pleased to present THE COMPLETE PROCEEDINGS of its 23rd Residential International Tax & Finance Conference held at Hyderabad, on a digital pen drive.**

**It is always an endeavour of BCAS to keep its members abreast of latest developments in the field of International Taxation and Finance. Keeping this objective in mind, this year's ITF Conference was designed on the theme of BEPS & Multilateral Instrument (MLI).**

**The conference focused on fast changing landscape through developments in international taxation principles and laws. The group discussion papers covered subjects under the broad framework of BEPS & MLI comprising of:**

- (i) Treaty Abuse – Covered Tax Agreements & Simplified LOB,**
- (ii) Avoidance of PE Status and**
- (iii) Case Studies on MLI.**

**A panel discussion on relevance of arm's length principle post BEPS implementation & MLI was really an interesting one. For the first time an "All Women Panel" discussion was planned; where case studies on international taxation in the post BEPS & MLI era (a mixed bag) was discussed at an advanced level.**

**A presentation was made to delve into new age practice opportunities for professionals by understanding the concepts and impact on tax and compliance practice arising out of emerging technologies such as Blockchain, Artificial Intelligence, Robotics and Data Analytics.**
